When permitted to retire	to receive
Lieutenant-Colonels, with 30 years' service	£365 a year.

"Officers when permitted to retire with less than 22 years' service are to be granted gratuities as follows:—

After 20 years' service, a gratuity of £2,400.
After 18 years' service, a gratuity of £2,000.
After 15 years' service, a gratuity of £1,600.
After 12 years' service, a gratuity of £1,200.

"These gratuities not to be granted without the consent of the Treasury, and only for the purpose of reducing the number of Officers compulsorily retired on 22 years of service; and no addition to the number of fresh entries to be made in consequence.

"The above rates of Retired Pay shall not apply to any Officer who entered the service prior to the 1st April 1870, and all such Officers, on their retirement, whether compulsory or voluntary, at the periods stated in these regulations, shall be entitled to receive the Retired Pay which they could have claimed under the Orders in Council of the 22nd February 1870 and 5th February 1872, under the same conditions of age and service.

"12.—*Retirement from ill-health, &c.*

"Officers incapacitated by illness, &c. after only short service to be granted, instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 152 Articles of the recent Royal warrant, viz.:—

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted *in and by* the performance of military duty, as certified by a Medical Board, may be granted temporary half pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused *in and by* the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in* the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 42 years of age.

"13.—All service for the purposes of gratuity, pension, and retirements to count from the age of 20, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18."

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified in red ink against each Officer. If the Foreign Service of any Officer falls short of *two* years it may be entered in black ink, inserting "nil" in the column for "No. of Weeks' Leave." VIII. By Her Majesty's Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows:—

This boon will not be granted to Officers returning to England from civil employment, or on promotion without service in the higher rank under appointments confirmed by their Lordships; nor to Officers retired, superseded for their own convenience, dismissed by Sentence of Court-Martial, or removed from their Ships for any misconduct.

At their Lordships' discretion, and in very special and exceptional cases only, the minimum period of one year's Foreign Service may be dispensed with, and additional leave may also be granted beyond the maximum of eight weeks.

Revising Form S. 182 (late 272).

The Lords Commissioners of the Admiralty, having had under their consideration the form now in use for certifying the qualification of a naval cadet for the rating of midshipman, are of opinion that it is desirable to adopt a scale of marks to be awarded for the various subjects of examination, with a view to affording greater facility for estimating the exact amount of proficiency attained and inducing more uniformity than now exists in the award of the various classes of certificate.

7. These observations are to be initialled, as having been taken and worked by the Junior Officers, by the Naval Instructor or Officer acting in that capacity, and they are to be revised and valued, in red ink, by him. Observations may be taken till correct results are obtained; by this means every Junior Officer will have the opportunity, by the exercise of due diligence, of obtaining full marks for his sights.

8. A number is to be assigned to each Officer examined who is to note it on every paper he works out, together with the name of his ship; but he is never to write his name except on the papers containing his observations.

9. No books are to be allowed during the Examination except Tables of Logarithms and the Nautical Almanac. (French Dictionaries and Tables of Logarithms to be up with a Treatise on Navigation are not to be used.)

12. The examination in Seamanship, Gunnery, and Steam is to be conducted by the Officer in command, assisted by the Commander or Senior Lieutenant, Gunnery Lieutenant, and Chief Engineer, or other competent Officers. The examination in Navigation, Mathematics, &c., is to be conducted by the Navigating Instructor, who, where necessary, is to be assisted by the Navigating Officer. In those ships where no Navigating Instructor is borne the Officer in command will appoint the Navigating or other competent Officer to conduct the examination.

13. If at the time of the written examination two or more ships be in company, it is desirable that the ships should exchange instructors, so that the examination should be supervised by a stranger, rather than by an officer belonging to the same ship as the pupils.

14. When the examination is concluded, the written papers are to be examined on board each ship by the Naval Instructor or the Officer who conducted the examination, who is to inform the Captain, for the information of the Officers examined, of the probable results of the examination. The papers are then to be sent to the flag ship of the squadron or station for the inspection of the Commander-in-Chief, and are to be examined by the Naval Instructor of that or such other ship as the Commander-in-Chief may direct, who is to draw up a statement of the results arrived at by him, which is to be promulgated among the various ships on board which the examinations were held.

All the papers are then to be forwarded to the "Secretary of the Admiralty," with a list of the names of the pupils, corresponding names, the date on which each Officer passed out of the "Britannia," and the marks then obtained for study, together with the marks allotted in Seamanship, Gunnery, and Steam, and also a copy of the provisional statement of results.

15. The examination, formerly held half-yearly by the Naval Instructors, is to be revised and held in December of each year, and the results communicated to the Commander-in-Chief in the usual form required at page [illegible] the Appendix to the Queen's Regulations.

16. Should any emergency arise, such as "stress of weather," so as to interfere with the authorised date, the examination is to be held as soon after as circumstances permit, and the Commanding Officer is to report the full circumstances of the case.

17. The Circulars No. 73 C.W. of 23rd December 1[illegible] and No. 21 C.W. of the 1st May 1875 are hereby cancelled.

6. Candidates in or near London will be medically examined by the Medical Director-General of the Navy at the Admiralty. Those residing near one of Her Majesty's Dockyards, or one of the First Reserve ships, will be examined by the Medical Officers attached thereto. 9. Candidates who fail to pass in the first three subjects (those marked with an asterisk), or in reading aloud, will be disqualified, and their other papers will not be examined. The Candidates who display a competent knowledge of all those subjects, and who obtain not less than 750 marks in the aggregate, will be classed in one general list in order of merit, according to the number of marks gained, and will be eligible for appointment as Engineer Students in one of the Dockyards, according to the number of appointments which it may be decided to make that year.

10. The successful Candidates will be entered as Engineer students before the 1st July in each year, and must join with their Parents or Guardians in a Bond for £300 to enter, if required, into Her Majesty's Naval Service as Assistant Engineers, if at the expiration of their training they should obtain certificates of good conduct and efficiency for entry in that capacity.

17. Engineer Students will remain for Six Years in one of the Dockyards for practical training in the Workshops, and to receive instruction in Iron Shipbuilding. While the Engineer Students are being instructed in Iron Shipbuilding they are to be under the direction of the Chief Constructor. They will attend the Dockyard Schools for such periods, and to pass such studies as may from time to time be determined on; they will also pass a portion of their time in the Drawing Office. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Boilers, including those repairs which can be carried out afloat, the practical use of the various Instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

They will be examined by the Engineer-in-Chief of the Admiralty at the end of the fourth, fifth, and sixth years of their service as to their practical acquirements and knowledge of steam machinery. Two prizes will be given annually at each Dockyard to the Engineer Students most highly reported on as regards their skill as workmen. Practical Engineering will be considered an essential subject at Examinations, and in the lists showing the results of Examinations the numbers obtained in Practical subjects, will be shown distinct from those obtained in Educational subjects. No Engineer Student will be granted a qualifying Certificate for entry at the Royal Naval College unless he obtains at least 50 per cent. of the total number of marks for Practical Engineering on his final examination.

19. The Examination of the Sixth-Year Students is to be held in time to allow the result to be known by the 1st July in each year, and it will include tests of their skill as workmen. Those found qualified will, on the completion of their term of service at the Dockyards, proceed to the Royal Naval College at Greenwich as Acting Assistant Engineers on probation, on the 1st October succeeding the Examination, where they will pass through a course of higher Instruction during one term.

20. Those Engineer Students who fail to pass the Examination at the end of their Six Years' Service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. The Pay of a Student during each year of probation will be the same as during the sixth year.

21. Engineer Students will not be entered as Acting Assistant Engineers until they have been pronounced fit for Her Majesty's Service by the Medical Officers, and have learned to swim.

22. Acting Assistant Engineers will be provided with quarters while at Greenwich. During their first Term they will be paid 6s. a day, and 1s. 6d. a day towards the mess expenses. Those selected for further study will receive their full pay and 1s. 6d. a day towards the mess.

their discharge from the Royal Naval College. The additional time given for First Class Certificates and Second Class Certificates will reckon in all respects as time served as Assistant Engineer.

24. Two Assistant Engineers will be selected annually from those who take the highest place at the Examination on the completion of their term at Greenwich, to pass through a further course of scientific instruction if they desire it. These two will be allowed to remain two more terms at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill positions in the Dockyards and at the Admiralty.

25. Those passing the Second and Third Terms at Greenwich will be attached during the vacations between the 30th June and 1st October, to the Dockyards or Steam Reserves, where they will attend trials of new and repaired Engines, and obtain experience respecting the duties they will have to perform at Sea.

26. No Assistant Engineer who has passed Three Terms at Greenwich will be allowed to leave Her Majesty's Service within seven years of the completion of his term at Greenwich, unless he shall pay the sum of £100, to defray the charges of his education. Such obligation to be subject in each case to their Lordships' approval.

N.B. The above Regulations will be generally followed, but my Lords will modify them from time to time as they may consider desirable.

ROYAL NAVAL COLLEGE, GREENWICH.

EXTRACTS FROM CIRCULAR No. 5—C.

Admiralty, 30th January 1873.

(Modified as regards Engineer Officers by the Regulations of June 1877.)

Her Majesty by Her Order in Council, dated 16th January, 1873, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the said College on the 1st of February next, at which date the instruction of the Gunnery Lieutenants and the Sub-Lieutenants will commence. The arrangements for the higher courses of study will not be complete till the beginning of the ensuing term on the 1st October, but special provisions have been made to prevent any interruption or disarrangement in the studies of any Class of Students who will hereafter be admitted to the College.

The College, subject to the subjoined Regulations, will be open to Officers of the following ranks:—

1. Captains and Commanders.
2. Lieutenants.
3. Navigating Officers.
4. Naval Instructors.
5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.
6. Officers Royal Marine Artillery.
   Ditto Royal Marine Light Infantry.
7. Officers of the Engineer Branch, viz.:—
   Chief Engineers.
   Engineers.
   Assistant Engineers.
   Acting Assistant Engineers.
8. A limited number of Dockyard Apprentices will be annually selected by competitive examination, for admission to the College.

A course of instruction at the College will also be open to a limited number of—

9. Private Students of Naval Architecture or Marine Engineering.
10. Officers of the Mercantile Marine.

It is not intended to provide at Greenwich for the education of the Naval Cadets.

My Lords intend that the Royal Naval College at Greenwich shall be so organised as to provide for the education of Naval Officers of all ranks above that of Midshipman, in all branches of theoretical and scientific study bearing upon their profession; but my Lords will continue the instruction given in the "Excellent" Gunnery Ship as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the Executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of students at the College will render it possible not only to carry out instruction by individual tuition as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as *Students* will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of *lectures*, the benefit of which is desired to extend as far as possible.

The following are the proposed courses of study:—

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.
2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.
3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.
4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.
5. Experimental Sciences:—
   a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.
   b. Chemistry.
   c. Metallurgy.
6. Marine Engineering in all its branches.
7. Naval Architecture in all its branches.
8. Fortification, Military Drawing, and Naval Artillery.
9. International and Maritime Law; Law of Evidence and Naval Courts Martial.
10. Naval History and Tactics, including Naval Signals and Steam Evolutions.
11. Modern Languages.
12. Drawing.
13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction and the various courses of study.

There will further be—

A Professor of Mathematics.
A Professor of Physical Science.
A Professor of Chemistry.
A Professor of Applied Mechanics.
A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene. A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(*a.*) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(*b.*) Gunnery Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich *before* commencing their practical course in the "Excellent" instead of, as at present, a term of seven months *after* they have completed it.

Officers, on applying to qualify as Gunnery Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(*c.*) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(*d.*) All acting Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments will be given to Lieutenants who class occupy in so useful a manner the time necessarily spent on shore.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of private students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the whole course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

The paramount object which my Lords have pursued in the organisation of the College has been to provide the most efficient means for the higher education of Naval Officers adequate to the constantly increasing requirements of the Service; but my Lords also anticipate great advantages from the results likely to accrue from the connection which will be established through the College between men distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of the highest training in theoretical subjects to Naval Officers of all classes, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific investigation which have most interest for the Navy.

REGULATIONS FOR ADMISSION TO THE ROYAL NAVAL COLLEGE, GREENWICH.

1. *Captains and Commanders.*

1. Twenty-five Captains and Commanders may be admitted annually as Students at Greenwich.

2. Those admitted for study must satisfy the authorities at the College that they possess a fair knowledge of Elementary Mathematics on entry.

REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[*Circular No. 8 (C) of 30th Jan. 1873, p. 8, cl. xi.*]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure on the part either of Midshipmen to pass their examination in Seamanship for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority in some cases to a considerable extent, no such penalty is incurred in the case of rejection at the examination in Gunnery on board Her Majesty's Ship "Excellent," and hereby direct that for the future one month's seniority shall be forfeited for such rejection.

EXAMINATION OF ACTING SUB-LIEUTENANTS IN GUNNERY AND NAVIGATION FOR THE RANK OF LIEUTENANT.

[Revising par. 5 of Circ. No. 5 C., of 30th January 1874.]

The Lords Commissioners of the Admiralty have had under their consideration the arrangements at present in force for the examination of Acting Sub-Lieutenants in Gunnery and Navigation for the rank of Lieutenant.

Under the existing regulations Acting Sub-Lieutenants on arriving in England, after having passed the examination in Seamanship, join the "Excellent" for a course of gunnery instruction, remain there for about three months, and having completed the examination successfully, proceed thence to the Royal Naval College for a further six months' course of instruction before presenting themselves for their final examination.

My Lords consider that if Acting Sub-Lieutenants were to join the College first, after arrival in England, they would be better prepared to commence the College course of instruction than they are now after an intermediate period during which their attention has necessarily been almost wholly concentrated on the study of Gunnery; and, also, that by going through the course

With this view, my Lords direct that all Acting Sub-Lieutenants arriving in England on and after the 1st of October next are to join the College first, and while there are to be subject in all respects to the same regulations as if they had joined under those now in force. Timely information as to the date in each month on which the officers are to join the College will be given.

On completing their examination in Navigation they will be granted 10 days' leave, on the expiration of which they are to proceed to join the "Excellent" for the course of Gunnery Instruction, on the successful completion of which they will be confirmed, subject to the usual deduction of seniority in cases of rejection.

During the whole period between the date of their arrival in England and the completion of their examination in Gunnery they will be borne on the books of H.M.S. SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight, *The 4th day of August* 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, in the words following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"'Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion.'

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"'Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea.'"

See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"'To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"'(*a.*) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service.'

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"'(*a.*) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:—

"'1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"'2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"'This shall not apply to any Officer who retired before 1st August 1873.

"'3. Service subsequent to 1st August 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall in such cases as we may direct count as Service in a Ship of War at sea.'

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August 1875.]

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz.:—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants.

"We would, therefore, most humbly submit to Your Majesty:—

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers to vacancies caused by retirement, according to the following scale:—

"(*a.*) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(*b.*) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"(*c.*) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

"3. That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

"4. Vacancies arising from deaths, resignations, &c. to be filled up as they occur.

"5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorised by Your Majesty's aforesaid Orders in Council.

"6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

"7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

"9. Retired Pay to be granted as follows:—After three years' seniority, 5*s.* 6*d.* per diem, an additional 6*d.* being given for each complete year beyond three served as Lieutenant until the maximum is reached, viz., 6*s.* per diem.

"10. Officers who in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

"11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict. cap. 56.

"13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,

The 5th day of August 1875.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.
10 Admirals.
20 Vice-Admirals.
35 Rear-Admirals.
} Total 68.

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until that number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplement-

ing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of *twenty* at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals . .	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according *to seniority*, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of *twenty-second* February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We *further* beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL.

At the Court at Windsor,

The 4th day of December 1878.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of December 1878, in the words following, viz.:—

"Whereas by clause eight, section one, of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"'Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority.'

"And whereas Your Majesty's subsequent Order in Council of 8th August 1875, with a view to providing temporarily for a more uniform flow of advancement in the ranks of Flag Officer, Captain, Commander, and Lieutenant in Your Majesty's Navy, authorised an increase, by 10, of the number of Rear-Admirals as laid down in the Order in Council of 22nd February 1870, which increase, in consequence of the limited number of appointments open to that rank, it is rendered impossible to provide for every Officer obtaining the necessary qualifying service *before* he arrives at his turn for promotion;—We do most humbly submit that, in order to avoid the necessity of passing over Officers who are in other respects, well qualified for advancement, We be empowered to cancel the before-recited clause of Your Majesty's Order in Council of 22nd February 1870, and to supplement the powers conferred by the same Order in Council *so far* as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz.:—

"'Flag Officers who have not hoisted their flags, as *Flag Officers*, to be retired at the age of 60.'

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the cost of this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1876, in the words following, viz.:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February 1870 and 4th August 1875, and who, *not having the required sea* service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1875, Captains are allowed one step in rank, according to *seniority*, after retirement, *irrespective* of any qualifying service. We most humbly submit to your Majesty that Commanders who have already been retired, or who may hereafter retire, without having served sufficiently long at sea to qualify them for *promotion* to the rank of Captain, may, at our discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without any increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty as follows:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to 6 months on Committees and Commissions, as full service; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been entitled to if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 20th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief; And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank

of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,
The 5th day of February 1872.

Present:
The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1872, in the words following, viz:—

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, if of a certain duration, should not be unrecognized: We do therefore most humbly submit that Clause 6, paragraph 3, of the said Order in Council be cancelled, and that We be authorised to make the following regulations:—

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than [illegible] years' service, be retired with pay on the following scales, viz.:—

After 10 Years' Service	.. ..	£ 50 per annum.
" 15 "	.. ..	£100 "
" 20 "	.. ..	The amount earned by service under Order in Council of 22nd February 1870.

"2. That Chaplains who have less than [illegible] and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF PAYMASTERS AND ASSISTANT PAYMASTERS.

ORDER IN COUNCIL, No. 5.—C.

Present:
The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of March 1873, in the words following, viz.:—

"Whereas we have had under consideration the state of the Active List of Paymasters and Assistant Paymasters in Your Majesty's Fleet; and whereas we are of opinion that, in order to increase the efficiency of those Lists, and to maintain a steady and more equal flow of promotion, it is necessary to reduce the Active List below the numbers laid down by Your Majesty's Order in Council of 22nd February 1870, the numbers now borne being in access of the requirements of Your Majesty's Service; we would, therefore humbly propose to Your Majesty—

"1. That paragraphs three and four of section six of Your Majesty's said Order in Council of 22nd February 1870 be cancelled.

"2. That the Active List of Paymasters, including Secretaries, be reduced to two hundred.

"3. That the Active List of Assistant Paymasters, Clerks, and Assistant Clerks, be reduced to two hundred and thirty.

"4. That until the Active List of Paymasters shall have been reduced to the numbers proposed, Paymasters, of whatever age, be retired, with their consent and at our discretion, on the terms laid down in Your Majesty's said Order in Council of 22nd February 1870.

"5. That until the Active Lists of Assistant Paymasters, Clerks, and Assistant Clerks, shall have been reduced to the numbers proposed, Assistant Paymasters be retired, with their consent and at our discretion—

"(a.) If under three years' standing, with the pay of two shillings and sixpence per diem.

"(b.) If of three years' standing, with three shillings and sixpence per diem, an additional sixpence per diem being given for each complete year beyond three, served as Assistant Paymaster, until the maximum is reached, viz., six shillings per diem, those being the same terms as those laid down in Your Majesty's said Order in Council of 22nd February 1870.

"6. That until the list of Paymasters shall have been reduced to the number proposed, [illegible] to promote to the rank of Paymaster [illegible] cies caused by death or compulsory retirement [illegible] exceeding ten in any one year, but that [illegible] of voluntary retirement no promotion shall be made.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, [illegible] concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 16.—C.

The Court at Osborne House, Isle of Wight,

The 9th day of August 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorandum of the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1872, in the words following, viz.:—

"Whereas We have had under our consideration the Service of Inspectors-General and Deputy Inspectors-General of Hospitals and Fleets in Your Majesty's Fleet, and the provisions of Your Majesty's Order in Council of 22nd February 1870, and especially to the Rule that Service shall mean Service on Full-pay;

"And whereas Inspectors-General are not called upon to take charge of Naval Hospitals at home; and whereas by the Order in Council of the 7th August 1869 the Deputy Inspector-General of Hospitals and Fleets shall be promoted to the rank of Inspector-General of Hospitals and Fleets, unless he shall have served five years as a Deputy Inspector-General, during three years of which period he shall have been in charge of a Foreign Hospital, or of a Flag or Senior Naval Officer's Ship; and whereas a Deputy Inspector-General cannot be otherwise than in the capacities mentioned, except in charge of a Naval Hospital at home; and whereas the service of any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home abroad, though not Service on Full-pay, is upon every equal footing, we are of opinion that service by such Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad should be held to be Service of the purposes of the said Order in Council of the 22nd February 1870; and we humbly pray that Your Majesty will be graciously pleased by Your Order in Council to give direction accordingly."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Under the provisions of these Orders in Council the following Pensions have been established:—

Flag Officers, 10 Pensions of 300*l.* a year each (the increase being that two may be held by Vice-Admirals and two by Rear-Admirals qualified for promotion).

Digitized by Google

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed the Half Pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains retired from the rank shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 600*l.* a year; but, should the two together exceed that sum, they will be retired on 600*l.*, relinquishing their Good service Pension.

Should any Flag Officers holding a Good Service Pension be in receipt of, or be appointed to, Full Pay (not including service on committees, or any temporary employment of a like nature) or Civil Salary, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Pay, or Salary or Civil Pension; and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

When such employment shall have ceased, the officer shall resume his Good Service Pension, although the list be full, but in such case the next vacancy shall not be filled up.

A Captain, however, shall be allowed to draw his Good Service Pension irrespective of the receipt of Full or Half Pay or Civil Salary.

An Admiral of the Fleet shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

"After 15 years' service, a gratuity of £1,500.

"After 12 years' service, a gratuity of £1,200.

Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in* the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused *in and by* the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in* the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 42 years of age.

"13.—All service for the purposes of gratuity, pension, and retirements to count from the age of 20, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

B. Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz.:—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 350*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointment of Vice-and Rear-Admirals of the United Kingdom, or promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time.)	21
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 650, and the reductions shall be effected as follows, viz.:—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. 2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 50 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired . . . . . 18s. per diem.

If on the 12s. 6d. " " " } 20s. "

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service, at the rate of 10s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860 have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864. T.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864. T.

3. GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions applicable to the rank of their husbands at the date when they were last on the Active List, unless specially provided for in this Table. An exception, however, to this rule is made in the case of retired Captains when advanced to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council granting increased rates of Pension are never retrospective.

The rules for Pensions and Compassionate Allowances for Widows of Temporary Service Engineers and Assistant Engineers will be found with the other Regulations respecting these Officers.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commissioned Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Boatswain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1830, or who were on the Active List of Chief or other Warrant Officers on 1st October 1875, or subsequently placed thereon in whose case the limit of age is sixty.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when on Pension, provided he was officially warned that his Widow would thereby forfeit the Pension; or if he husband had been placed on permanent half-Pay, or the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or she had been living at the time of her husband's death a disreputable state of separation.

v. If her husband died in the service of a Foreign State unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only on satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction or any improper intention of obtaining the Pension by the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision or Allowance from the Government on account of her husband's services in a Naval or Military capacity. Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriages may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Provided, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of his service shall have been subsequent to their marriage; provided the Widow is otherwise eligible.

The Pensions of Widows who shall have re-married after the 31st of December, 1830, shall be paid to them on their receipts shall, notwithstanding their marriage, be deemed a sufficient discharge for the payment of their Pensions.

In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the time of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon application being addressed to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, and will be again liable to suspension during future re-marriage.

A Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Military Officer, becomes again eligible for a Pension from the Funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage has made her eligible, whichever is most to her advantage.

Every Officer, whether on Full, Half, or Retired Pay, shall—in order to facilitate the decision upon the claims of his Family, after his decease, but for the benefit of the Regulations,—notify his marriage within *one month* after taking place, to the Admiralty, according to the Form given.

With respect to marriages contracted in Scotland, they will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the Parish in which the marriage shall have been celebrated, or by an acknowledgment of a Marriage to be entered to the Admiralty, made and subscribed by the Parties themselves *in Scotland*, in the presence of a Magistrate, according to the Form given or a Decree of Declarator of Marriage.

The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the Rank of their husbands at the date when they were placed on the Active List, except in the case of Retired Officers advanced to the rank of Flag Officers, whose Pensions are regulated as the Widows of Flag Officers.

Marine Officers.—The General Rules for Pensions to the Widows of Naval Officers, and the cases of Widows of Marine Officers, otherwise stated in these Regulations.

The period on the list of Commission Officers to render Widows eligible for Pensions.

Officers who have been promoted Officers in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of other Officers holding such rank shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore; and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; and posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commission Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed or drowned on duty.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

22. Children who are being educated at the expense of Greenwich Hospital are not eligible for Compassionate Allowances, but, on their ceasing to be chargeable to Greenwich Hands, they may be placed on the List of the Compassionate Fund, if otherwise eligible.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are not considered eligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Standing at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for an Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

In the event of its being found necessary to institute proceedings against any Vessel or property, the Commanding Officer will take care that all costs and expenses incurred in such proceedings are paid either by himself or by arrangement with the Ship's Agent. He will also forward to the Ship's Agent all the necessary documents to enable him to claim the bounties or proceeds, if any, to which the Captains are entitled, or re-payment of any expenses which may have been incurred in their behalf.

CIRCULAR No. 71.—LMM.

Admiralty, 7th November 1874.

(COSTS OF PROSECUTION IN SLAVE CAPTURE OR UNDER THE KIDNAPPING ACT, 1872.)

The attention of my Lords Commissioners of Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, their Lordships are pleased to direct that Circular No. 5, of 9th January, 1874 (Costs of Prosecution in Slave Capture) shall be cancelled, and that the following Regulations shall be substituted for those contained therein.

"1. In case any proceedings shall have been instituted in any Court of Vice-Admiralty or Mixed Commission by or on behalf of any of Her Majesty's Ships in respect of any of the matters enumerated in the 12th section of the Naval Agency and Distribution Act, 1864, and the Commanding Officer of such Ship shall be unable himself to pay the legal expenses attending the prosecution or to negotiate a bill for the amount on the Ship's Agent, he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 100*l.*, is to be debited by the Paymaster on the Ship's Ledger against the pay of such Commanding Officer, who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur.

"2. In case any proceedings shall have been instituted by or on behalf of any of Her Majesty's Ships in respect of matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 200*l.*, will be charged as an Imprest against such Commanding Officer until the Treasury (whom they so decide) shall repay the same under the 7th Clause of the said Act.

"3. It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money is made, should the delay necessary to obtain such approval be likely to cause any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship, in the case being afterwards reported to the Commander-in-Chief or Senior Officer."

CONVEYANCE OF TREASURE.

PROCLAMATIONS RESPECTING THE CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

His Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty.

A PROCLAMATION.

GEORGE P.R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His present Majesty, cap. 25, intituled, *An Act to enable His Majesty to fix a Rate and direct the Payment of Freight Money, for the Conveyance of Specie or Jewels on board His Majesty's Ships and Vessels*, it is enacted, That from and after the Eighth Day of *April* One Thousand Eight Hundred and Nineteen, all Freight which was to be paid for the Conveyance on board any of His Majesty's Ships and Vessels of His Majesty, His Heirs and Successors, of Gold, Silver and Jewels, or of any other Article which may be by special Order received on board such Ships and Vessels, and for which Freight shall be payable, shall be paid at such Rate, and distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such Manner, as His Majesty, his Heirs and Successors should from time to time think fit to order and direct by Proclamation or Proclamations to be issued for that Purpose; and that no Freight-money or Reward shall thereafter be demanded, paid, received, or detained by, or for the use or on account of any Person or Persons for the Conveyance on board of any of the Ships and Vessels of His Majesty, his Heirs or Successors, of any Gold, Silver, or Jewels, or any other Article which may be by special order received on board the said Ship or Vessel, and for which Freight shall be payable, other than for the purposes, and by the Person or Persons, in the Proportion, at the Rates, and in the Manner so to be by the said Act allowed by Proclamation or Proclamations; and that all Bargains, Contracts, Covenants, and Agreements which should be made or entered into for the Payment of any Freight-money, or in the Name or on the Account of Freight for the Conveyance of Gold, Silver, or Jewels, or other Articles as aforesaid, on board of any of His Majesty's Ships or Vessels, at any Rate, or for any other Purpose, or to any other Person or Persons, or in any other Sum or Proportions than as aforesaid, shall be and the same are hereby declared to be utterly void. We do therefore, in pursuance of the Powers so vested in His Majesty, his Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of His Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we hereby order and direct, That all Gold, Silver, and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to Private Parties.

That on the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or Receipts or Bills of Lading, shall be made and signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of the said Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms on and Extent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board such Ship or Vessel, shall be liable or responsible for the same in case of Loss or Damage thereof to which he might be liable, in Form or to the Effect following:

(Here insert Bill of Lading in the usual Form.)

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Public and for Private Treasure respectively, and in Peace or War respectively, and for different Voyages, shall be as follows, viz.:—

[*For Rates see Proclamation dated* 23 *April* 1831, *page* 552.]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station, or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief to be entered in the said Order Book an Engagement in Writing in Form or to the Effect following:

Ships or Vessels in the Squadron, *[or, in the particular Ship, as the Case may be]*; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively *[or,* Ship or Vessel, *as the Case may be]*, such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer Commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June 1819.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one port to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the same for deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Stores, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth day of *July* One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full force.

Given at Our Court at *St. James's*, this Twenty-third Day of *April* One thousand eight hundred and thirty-one, in the First year of Our Reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of *April* last, establish and declare a Scale of Rate at which Freight should be payable for Public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to publish, declare, and command, and We do hereby ordain, publish, and command, That from and after the First Day of *September* next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, that the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of *April* last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's* this Eighth Day of *June* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private individuals only.

By Command of their Lordships,

SIDNEY HERBERT.

GREENWICH HOSPITAL PROPORTION OF FREIGHTAGE FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.

1. The returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, are to be forwarded to the Accountant-General of the Navy instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July 1819.

2. The half-yearly returns from the Commanders-in-Chief are to be sent, as heretofore, to the Secretary of the Admiralty, to be forwarded to the Accountant-General of the Navy.

ENTRY AND DISCHARGE OF PETTY OFFICERS, SEAMEN, AND MARINES.

DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

Art. 410, *p.* 132, *of Addenda to Queen's Regulations.*

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as shall, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is to proceed to report him unfit without carrying the examination further.

On the contrary, should any person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to th

and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutinal causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys,. Rupture, weakness or distension of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disease contracted or sustained since his entry,—or, on return from foreign service.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 10.—LMM.

Admiralty, 10th February 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 12th December, 1873, having been pleased to sanction the following Regulations for the discipline of Land Forces embarked as passengers on board Her Majesty's Ships the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,

the 12th day of December 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December 1873, in the words following, viz.:—

"Whereas it is provided by Section 88 of an Act passed in the twenty-ninth year of Your Majesty's reign, entitled 'An Act to make Provision for the Discipline of the Navy,' as follows:—

"'Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct.'

"Whereas Your Majesty was graciously pleased by Your Order in Council of the 22nd day of February 1870, to approve the establishment of certain Regulations for the maintenance of order and discipline on board Your Majesty's ships in which Your Majesty's Land Forces may be embarked; and whereas we are of opinion that it would be for the advantage of Your Majesty's Naval and Military Services to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to cancel the said Regulations, and in their place to sanction the following:—

"1. Whenever any of Your Majesty's Land Forces, or any Royal Marines formed in a separate corps or battalion, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong.

"'2. If any officer or soldier shall commit any act against the good order and discipline of the ship in which he is embarked, the Commanding Officer of the ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"'3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and he there proceeded against according to military law. No Military Court-Martial shall be held on board any of Your Majesty's ships in commission.

"'4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which by the Regulations of Your Majesty's Navy a warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1860, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship.

"'5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations.'"

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR HELPS.

By Command of their Lordships,

ROBERT HALL.

MISCELLANEOUS CIRCULARS, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.

Men (including those serving as Pensioners, and except as the same mentioned in paragraph (g)) may be recommended for the "Good Conduct and Long Service" Medal and Gratuity under the following regulations, laid down by Circulars No. 78, P, of 16th December, 1874, No. 20, P, of 26th April, 1875, No. 11, P, of 1st July, 1870, and Circular Letter, P, of 2nd August, 1875, viz.:—

(a). Recommendations for Medals and Gratuities are to be made entirely irrespective of the complements of Her Majesty's Ships, it being the intention of the Lords Commissioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation.

(b). The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities, and may be given to every man who deserves it in the ship in which he may be serving, regardless of his former history; *but the award of such character shall not of itself give a claim to medal or gratuity.*

(c). This word is to be entered, annually

of December, and on discharge from Ships, by the commanding Officers of Her Majesty's Ships and Vessels, on the Parchment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations; and in such cases it will supersede the use of the words "very good."

(*d*). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(*e*). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfils the letter of the conditions which render him eligible for the character. *A man's conduct must be specially excellent to deserve the character of "Exemplary."*

(*f*). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disrated for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(*g*). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(*h*). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(*i*). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(*k*). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(*l*). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The medal to be returned to the Accountant-General of the Navy.

NOTE.—The infliction of any of the punishments mentioned in paragraph (*g*), after a medal has been awarded, entails forfeiture of the medal; except as provided for in the following article; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after ten years of continuous "exemplary" character after the year in which the medal was taken away.

(*m*). A man may be deprived of his Medal without being deprived of any Good Conduct Badge; and is left to the discretion of Commanding Officers to take away one badge without depriving a man of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within twelve months from the date of deprivation, the Medal is absolutely forfeited; and the deprivation is to take place publicly as above directed.

If two or more badges are taken away, and not one only; or, if a man loses a second badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly as above directed.

Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a badge; and also in all cases of absolute forfeiture.

(*n*). Men who have for ten consecutive years been given the character of "Exemplary" under these conditions, may be recommended for Medals at any period of their service after the completion of such ten years.

(*o*). Men who have for fifteen consecutive years been given the character of "Exemplary" under the foregoing conditions, may be recommended, *on their discharge to Pension*, for Gratuities in addition to their Medals.

The Scale for Gratuities shall be as follows:—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers, for not less than ten years	20
First Class Petty Officers, having served as such for not less than ten years	15
Second Class Petty Officers, having served as such for not less than seven years	10
Leading Seamen, having served as such for not less than five years	7
Able Seamen and others not excluded by paragraph (*q*)	5

(*p*). In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such one of the lower rates, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

(*q*). Neither Medals nor Gratuities will in future be bestowed on Ordinary Seamen, Third Class Writers, Third Class Signalmen, Second and Third Class Domestics, Ship's Stewards' Assistants, Assistant Sick Berth Attendants, and boys of every description.

(*r*). Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Divisional Officers of Coast Guard, as soon as the men become eligible for them, and when their Lordships' approval has been received, the Medals and Gratuities are to be presented before the Ship's Company, by the Captain of the Ship.

A complete history of badges, showing the dates of award, deprivation and restoration, must be given on the copies of Certificate sent in to office.

(*s*). It must be distinctly understood that Medals will only be granted after ten years of "Exemplary" character on the condition that the recipients continue to serve for Long Service Pension, unless invalided; and that in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

(*t*). If it is desired that men who have received Medals should also be given Gratuities, separate applications must be made for the latter on the men being recommended for Pension.

(*u*). In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army Service, subject, however, to the review as to ten consecutive years of "Very Good" or "Exemplary" character after punishment.

(*v*). These Regulations are to come into operation on the 1st day of July 1870, and are to apply to all persons of the ratings herein mentioned borne on the Books of Her Majesty's Ships and Vessels; and in the Coast Guard afloat and on Shore; and to Royal Marines at Divisions as well as Embarked.

Temporary Provision.

be allowed to reckon as "Exemplary" for Medal or Gratuity, provided their conduct has been such as to entitle them deserving of being considered "Exemplary" under the foregoing regulations.

Admiralty, 11th April 1877.

FORFEITURE OF GOOD CONDUCT MEDALS.

With reference to Article 27, page 31, and Article 18, page 34, of the Revised Pension Regulations of 1st July 1875, My Lords Commissioners of the Admiralty are pleased to direct that if a Petty Officer or Leading Seaman, R.N., or Non-commissioned Officer, R.M.A., in receipt of a Good Conduct Medal, should be disrated, or reduced, for misconduct, he is to be absolutely deprived of his Medal; but if "very good" character is given for the year in which the deprivation takes place, the Medal may be restored after 10 years of continuous "exemplary" character after the year in which the Medal was taken away.

By Command of their Lordships,
ROBERT HALL.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-Class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State

Foreign Affairs, either through the British Minister
credited to the Court of such Foreign Sovereign, or
through His Minister accredited at the Court of Her
Majesty.

3. If the service for which it is proposed to confer the
Order has been performed during War, the Notifica-
tion required by the preceding Clause must be made not
later than two years after the exchange of the Ratifica-
tions of a Treaty of Peace.

If the service has been performed in time of Peace,
such Notification must be made within two years after
the date of such service.

4. After such Notification shall have been received,
Her Majesty's Principal Secretary of State for Foreign
Affairs shall, if the case comes within the conditions
specified by the present Regulations, and arises from
Naval or Military Services before the Enemy, refer it to
Her Majesty's Principal Secretary of State for the War
Department, previously to taking Her Majesty's plea-
sure thereupon, in order to ascertain whether there be
any objection to Her Majesty's permission being
granted.

A similar reference shall also be made to the Com-
mander-in-Chief, if the application relates to an Officer
of the Army, or to the Lords of the Admiralty, if it
relates to an Officer in the Navy.

5. When Her Majesty's Principal Secretary of State
for Foreign Affairs shall have taken the Queen's pleasure
upon such application, and shall have obtained Her
Majesty's permission for the person in whose favour it
has been made to accept the Foreign Order, and wear
the Insignia thereof, he shall signify the same to Her
Majesty's Principal Secretary of State for the Home
Department, in order that he may cause the Warrant
required by Clause 1 to be prepared for the Royal Sign-
Manual.

When such Warrant shall have been signed by the
Queen, a notification thereof shall be inserted in the
London Gazette," stating the service for which the Foreign
Order has been conferred.

7. The Warrant signifying Her Majesty's permission,
shall, at the request and at the expense of the person
who has obtained it, be registered in the College of
Arms.

8. Every such Warrant as aforesaid shall contain a
clause providing that Her Majesty's license and per-
mission does not authorize the assumption of any style,
appellation, rank, precedence, or privilege appertaining
to a subject bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870. CLARENDON.

THE VICTORIA CROSS.

VICTORIA R.

Whereas We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant Officers, Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army, and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only granted for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those to whom by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these Presents for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the Government of the same, which shall from henceforth be faithfully observed and kept:

Firstly.—It is ordained, that the distinction should be named and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under following circumstances:—

Digitized by Google

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the fleet employed on the service, or to the Officer commanding the forces in the field, who shall call for such descriptive and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained, that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a land regiment, troop, or company, in which the Admiral, General, or other Officer commanding such force shall deem that all are equally brave and equally entitled, but that no special selection can be made by them, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company, such one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer, Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged, two Seamen or Private Soldiers, or Marines, to be selected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration on the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have won the Cross shall, from the date of the act by which the decoration has been gained, be entitled to a special Pension of Ten Pounds a year, and each additional act of bravery under rule four on such Warrant or Petty Officer, Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional Pension as shall effectually preserve pure the honourable distinction, it is ordained, that if any person to whom such distinction shall be conferred, be convicted of treason, or wilful murder, felony, or of any infamous offence, or if he be accused of any such offence and do not within a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Pension shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension notified by such rule fourteen shall cease and determine to all intents and purposes as if no such Warrant. It is hereby further declared that Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion as aforesaid, and shall at all times have power to restore such person as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth day of January, in the nineteenth year of Our Reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
PALMERSTON.

THE ALBERT MEDAL.

WARRANT extending the two DECORATIONS styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

VICTORIA by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1866, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

VICTORIA R.

Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwreck and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by means of wrecks and perils of the sea; and taking into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents for Us, our Heirs and Successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to establish, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained that the distinction shall be styled '*The Albert Medal*,' and shall consist of a gold enamelled badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., surmounted with an Anchor erect in gold, surrounded with a Cable in bronze, inscribed in raised letters of gold 'For Gallantry in Saving Life at Sea,' and surmounted with a representation of the Crown of His Royal Highness the late Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width with two white longitudinal stripes.

Secondly.—It is ordained, that the Medal shall be worn suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a register thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867 in the 30th year of our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "*The Albert Medal*," and instituting in lieu thereof two new Decorations, to be styled respectively "*The Albert Medal of the First Class*," and "*The Albert Medal of the Second Class*:"

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled '*The Albert Medal of the First Class*,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., surmounted with an Anchor erect in gold, surrounded with

in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled '*The Albert Medal of the Second Class*,' and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely wrought in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgement disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively "*The Albert Medal of the First Class*" and "*The Albert Medal of the Second Class*" to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept:

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., crect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in saving life on land, shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly. It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "London Gazette," and a register thereof kept in the Office of the Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, railways, or at fires, or other peril within the United Kingdom other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of the Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure the most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgement disqualifies him for the same, his name shall be erased by an especial Warrant under Our Royal Sign Manual forthwith erased from the registry of the individuals upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover We shall at all times have power to order that such persons may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at our Court at St. James, this Thirtieth day of April, One thousand eight hundred and sixty-seven, in the Fortieth year of Our reign.

By Her Majesty's Command,

(Signed) RICHD. ASSHETON CROSS.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

(To take effect from the 1st October 1870.)

This notice is issued by the Secretary of State for the Colonies, *for the information* of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer facilities to that class of settlers in the acquisition of Crown lands.

1. *Colonies which offer Privileges.*

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia and Honduras.

2. *Officers entitled to Privileges.*

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental staff Officers; and (d) Medical Officers of both Services, of not less than six years' standing.

3. *Officers not entitled to Privileges.*

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; ; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not complied the Memorandum of Rank and Service hereinafter mentioned.

4. *Nature and Extent of Privileges.*

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the *land regulations for the time being in force in* the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " "	500
Field officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz.:—

	£
Field Officers of 25 years service and upwards, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. *Memorandum of Rank and Service.*

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man, from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-*in-chief* specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within *one* year from the date of the Officer's retirement, be presented to the Governor *of one* of the above-named Colonies, otherwise the Officer will not be entitled to *any* land privileges in the Colony.

No document from the *Office* of the Secretary of State is necessary.

6. *Location Ticket.*

As the sole object of the Regulations *is to encourage bona fide* settlement of Naval and Military Officers in the Colony, *an Officer*, on presentation of his Memorandum of Rank and Service to the Governor, *will receive* in the first instance a Location Ticket only, for the land which *in British Columbia* he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. *Crown Grant.*

At the expiration of two years from the date of such Location Ticket, the Officer, on payment the customary survey and other fees, *will receive in exchange for* it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, *and has not only* continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for *such length of time*, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements *at present* required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. *Lapse of Claim of Crown Grant not applied for in time.*

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, *the Officer's* claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. *Land not transferable until Grant issued.*

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. *Provision in case of Death.*

But if an Officer has *obtained a* Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to *make* the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject *to* the same conditions as attached *to* the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to *his* legal representative.

11. *Permanence of the Regulations cannot be guaranteed.*

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands *in* the Colony.
